Routledge, 2011. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Integrating musical activities in the elementary school classroom can assist in effectively teaching and engaging students in Language Arts, Science, Math, and Social Studies, while also boosting mental, emotional and social development. The ultimate goal is for elementary school children to leave the classroom with an introductory appreciation of music in a joyful, creative environment, and perhaps wanting to broaden their understanding. SPECIAL FEATURES Listening Maps help listeners focus on music selections through a clear visual representation of sound.
