iUniverse, United States, 2004. Paperback. Book Condition: New. 226 x 147 mm. Language: English Brand New Book ***** Print on Demand *****. Whispers of a Secret God chronicles a clash of three sub-Saharan cultures battling for dominance in a tangle of drought, famine, and land rights. Slavery and dislocation have exacted a heavy toll, reshuffling ancient social boundaries and challenging long-held religious practices. Whereas stereotypical African villages evoke images of savagery, brutality, and superstition, the Fula tribes developed a more peaceful and rule-governed Muslim society. Honor and courage throbbed in their hearts. The saga derives its title from the muddled vestiges of Christianity surviving from somewhere in the tribe s distant identity. Although it is not allowed to surface openly, this secret knowledge is communicated by the women of the village from generation to generation. A chief Muslim cleric, who used religion as a tool of power, sought to replace the aging king s rule with strict Islamic law. The story pulsates with intrigue, romance, and fierce battles, but ends in a time of renewed yet short-lived tranquility. This saga provides the reader brief glimpses into the world beyond, contrasting temporal and spiritual reality.
