Reviews

This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

Strategic Book Publishing, United States, 2013. Paperback. Book Condition: New. 201 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.It started when I was 16 years old and in high school. I had a notebook where I wrote poems, stories, and topics about my perspective on life. I had no idea that the passion for writing was developing inside me. After years of writing notes, I became active on Facebook and on it published new poems and articles. I wrote one article that became a story, and while reading it, realized that God had inspired me to write a story which, in the future, could be a book. I told my family and friends about it, and their advice was that I should read more to be able to write better. So my journey started! God is and was my inspiration since the beginning. In 2012, I met a couple and wanted to give them something special, so I wrote different verses for them about our relationships. After a month, God spoke to my soul and I started writing proverbs, or wisdom verses. It changed my life and perspective, and I felt reborn. Every time I read my book I feel peace and new ideas come to mind, allowing me to see life from different angles. Just like I always say: It s not what you say; it s how you say it. And it s the same with life: It s not what you see, it s how you see it. Yherlisa Jimenez was born in the Dominican Republic and grew up in Aruba. She is studying international relations at Atlantic International university. Publisher s website: //.
