Reviews

This book might be well worth a study, and much better than other. Indeed, it can be perform, continue to an amazing and interesting literature. I realized this publication from my i and dad suggested this book to find out.

(Dejuan Rippin)

CLASS A: BASEBALL IN THE MIDDLE OF EVERYWHERE

Pantheon, 2013. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service!
Summary: "This is a hard-hitting examination of minor league baseball and some of the major issues of life in small-town America, in this instance, Clinton, IA. . . . In this compelling book Mann seeks to humanize not only the players but also the fans who comprise the family of this small-town field of dreams. Overshadowing much of the story is the decline of Clinton, a once proud, mighty union town. At bottom, this work examines honestly, seriously, and at time comically dreams dashed, dreams deferred, and perhaps dreams yet to be realized. Like a mixture of Bull Durham , American Gothic , a Coen brothers film, and a Springsteen song. Highly recommended for any serious lover of baseball, small-town America, contemporary popular culture, or just plain good nonfiction." - Library Journal (starred review) "Lucas Mann's startlingly good Class A revitalizes not just the small-town sports story but the genre of creative nonfiction itself. It's the most original nonfiction debut I've read in years, much smarter than the usual 'you-are-there' narrative and far more vivid, witty, and emotionally rich than a book this self-aware has any right to be. Mann's orchestration of character and moment-his insight into the nature of hope and delusion-is wonderful to behold." -Jeff Sharlet, author of The Family and Sweet Heaven When I Die "Like a millennial Joan Didion or Gay Talese, just as talented, just as pure, Lucas Mann comes blazing out of nowhere and makes good on this book's grand promise of 'everywhere': his beautiful losers, monkey-rodeo impresario, superstars-in-training, steely-eyed Venezuelan Caseys-at-the-Bat, and-perhaps most profoundly-his own winsome self, make this tour through the Mississippi Valley minors the most intensely contemporary and truly amusing nonfiction that I have read in...
