Ramesh, Ranveer Chauhan, Written by two experts who have lived and worked in Africa for two decades, Amazing Africa: A Corporate Journey is a collection of 25 colourful tales and anecdotes of their enriching time spent on the continent. Today, Africa is a serious investment destination where there are billion dollar deals happening on a daily basis, with strong interest from governments and the private sectors alike. Amazing Africa not only contributes to a better appreciation of these business opportunities that lie in Africa, but it also provides a window into the social, cultural and environmental conditions of one of the world's most exotic and least-understood continents. Amazing Africa: A Corporate Journey promises to be a valuable companion to anyone interested in learning about the business environment in Africa and to anyone planning on embarking upon their own African adventure. "Our book will bring back pleasant memories to anyone who has lived and worked in Africa, and will be especially useful to young people looking to embark on a career in Africa - just as we did over two decades ago. We would like to imagine that this book will be an integral part of their travel packs and will add to their knowledge and insights on Africa." MD Ramesh and Ranveer Chauhan.
