CCB Publishing. Paperback. Book Condition: New. Paperback. 36 pages. Dimensions: 8.3in. x 5.3in. x 0.2in. This is the eighth book in a 12 book Bedside Story Collection Series spanning across the 12 months of the year. Each of the 12 bedtime stories is reprinted in color from the authors black and white third edition book Twelve Upon A Time. Each monthly story is unique and illustrated by the original drawings of children whose interpretation of the words can only be seen through their eyes. This August bedtime story is entitled The Yad Gnihton Taerg on the Mirror Planet that celebrates the Yad Gnihton Taerg on the mirror planet Tenalp in the central city of Rorrim, a celebration that occurs just once every 500 years. This August bedtime story and all the stories are written to further the imagination of children and to strengthen the parent and child bond through the sharing of heartwarming, silly, absurd and believably impossible tales. Watch for Septembers bedtime collection story The Underground Adventure that shares the heartwarming story about animal friends who want to make the end of summer a special one for their human friends before going back to school. About the Author: As a doctorate level practitioner serving school children for more than 35 years, Edward Galluzzi became keenly aware that children and their parents often had in short supply what families needed the most: open communication and sharing time together. The Bedside Story Collection Series was written to provide families a moment here and a moment there to come together and share heart warming, silly and believably unbelievable tales. The stories are tied typically to the main holiday or theme of each month, more or less. The characters in the stories are based on what children relate to the most. . . animals..
