Stand Strong in Life's Furnaces How do you respond when the bottom drops out? What happens to your character quotient when things don't go the way you planned? How do you react when the temperature is rising, you are under attack, and God seems far away? Daniel discovered that the furnace experiences of life refine and define us. Spiritual integrity rarely grows when everything goes our way. Instead, God uses things like a furnace, a lion's den, a mad king, and exile in a foreign country to forge character in a soul. If you long to meet God in the challenging times and come through the fire stronger and more faithful, Daniel is ready to show the way.
