Not illustrated. 1897 Excerpt: . . . seventeen of the most popular writers of the land. In doing so, she has given carefully the physical, social, educational, political, and religious environments of each in such manner as to show just what influences have, consciously or unconsciously, helped to shape and color the thoughts and purposes of the several writers. Not only is the matter presented in a style which at once elicits interest, but the value is almost doubled by synopsis and review questions. WOULD you read a book filled from cover to cover with matter so thrillingly interesting, so plainly, so boldly, so truthfully told as to challenge your attention and sympathy from the first, --a book, portraying in the pleasant style of a narrative the incidents surrounding the once doubtful fate of a State (since subdivided), the almost loss of the same, the heroic effort of one man, true at once to his country and his God, --a man, whose ride of three thousand miles, while the fate of an empire hung in the balance, over mountains whose only roads were Indian trails, across swollen rivers filled with floating ice and drift-wood, menaced by wild beasts and wilder men, is without a parallel in history, --a book, describing in most graphic detail the settlement of a disputed territory, the influence of one noblehearted, God-fearing man upon the early history of that territory, and the world-astonishing feat by which he saved it to the United States Then read How (Marcus Whitman saved...
