Small-Language Fates and Prospects: Lessons of Persistence and Change from Endangered Languages: Collected Essays (Hardback)

By Nancy C. Dorian

Brill, Netherlands, 2014. Hardback. Book Condition: New. 242 x 158 mm. Language: English . Brand New Book. In Small-language Fates and Prospects Nancy C. Dorian gathers findings from decades of documenting an endangered Scottish Gaelic dialect, presenting detailed evidence of contraction and loss but also recording a positive role for imperfect speakers. Retention of language skills undervalued by linguists but positively viewed by the community has supported the survival of local Gaelic-English bilingualism well beyond early predictions. Nonetheless, potent factors that threaten small-language survival everywhere have also operated here. Negative social attitudes towards the minority population, loss of a traditional occupation, the increasing impact of majority-culture ideologies, are recurrent phenomena in small-language settings. Maintenance or revitalization efforts pose special challenges under these circumstances, as does fieldwork itself when adverse sociohistorical forces have left very few fluent speakers.

Reviews

This book will never be easy to start on looking at but quite entertaining to read. It is actually packed with wisdom and knowledge It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Ms. Missouri Satterfield DVM

It is an incredible publication that we have actually read through. It is among the most incredible pdf i actually have study. I am just pleased to let you know that here is the very best pdf i actually have study in my personal lifestyle and could be he greatest book for possibly.
