OCLC Number: (OCoLC)52768650 Subject: Economic assistance, American. Excerpt: . . . 15 COMMERCIAL DEVELOPMENT PROGRAMS The Committee strongly supports microenterprise development programs for the poor, especially women, and recommends that USAID provide at least 180, 000, 000 for these activities. The Com-mittee expects USAID to preserve the viability of leading micro-finance NGO networks, including faith-based networks, by pro-viding substantial funding to these entities so they may increase the number of people they serve. The majority of microenterprise development resources should be used to support the direct provi-sion of services to poor microentrepreneurs through these net-works. Funding for administrative, procurement, research and other support activities not directly related to the delivery and management of services should be kept to a minimum. The Committee supports the development, in conjunction with micro-credit practitioners, of poverty measurement methods as a means of verifying that at least half these resources are targeted toward the worlds poorest people. The Committee requests that USAID report to the Committee no later than 90 days after the en-actment of this Act on...
