TECHNOLOGY ACQUISITION: BUYING THE FUTURE OF YOUR BUSINESS

Addison-Wesley Professional. Paperback. Book Condition: New. This item is printed on demand. Paperback. 208 pages. With proven, step-by-step solutions, this unique and practical book shows information technology (IT) project managers how to acquire the right technology from the right vendor at the right price for their business. There are numerous project management books on how to build technology, but the increase in project failure, limited resources, and accelerated change in systems and platforms has forced IT managers to move from...
