## MANAGING INTERNATIONAL CONSTRUCTION PROJECTS: AN OVERVIEW

International Labour Office. Paperback. Book Condition: new. BRAND NEW, Managing International Construction Projects: An Overview, R. Neale, Directed at construction managers who are responsible for substantial elements of major projects, as well as at more senior managers, this book draws together the concepts and general principles of construction project management. Particular emphasis has been placed on the organization of the project team and on major aspects of their work, such as quality assurance, site layout, planning cost control, and health and safety. Detailed case studies of the practical application of computer systems in planning and control have been included to cover the relatively recent emergence of information technology.
