A compelling novel of self-discovery and the search for meaning from the author of The Painted Veil The Great War changed everything and everyone, and Larry Darrell is no exception. Though his physical wounds from the war heal, his spirit is changed almost beyond recognition. He leaves his betrothed, the beautiful and devoted Isabel; studies philosophy and religion in Paris; lives as a monk, and witnesses the exotic hardships of Spanish life. All of life that he can find from an Indian Ashrama to labor in a coal mine becomes Larry s spiritual experiment as he spurns the comfort and privilege of the Roaring 20s. This novel is part of Brilliance Audio s extensive Classic Collection, bringing you timeless masterpieces that you and your family are sure to love.
