

## Social Efficiency (Paperback)

---

By Steve Gojeski

AUTHORHOUSE, United States, 2005. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The first edition of Social Efficiency was published in 2003. It was written with the intention of provoking discussion in order to strengthen its design. The results of such discussion and analysis have been compiled in this second edition. As with the first edition, the ideology presented is not outlandishly radical, nor of a utopian nature, and yet it certainly breaks from current practices. Social Efficiency operates under the doctrine that government is only a form of social management, and social management is only a method for maintaining and improving the quality of life for the individual. Political theorists have lost sight of the actual end result that government is supposed to be achieving. The policies presented in this second edition of Social Efficiency provide a foundation for a society to build an efficient means of utilizing their resources, while allowing for their government policy to evolve in synch with any social and or environmental changes. One of the proposals with a significant degree of change to most current systems is the design of the judicial process. Social...
