BABY MAMMALS

Crabtree Publishing Co,US. Paperback. Book Condition: new. BRAND NEW, Baby Mammals, Bobbie Kalman, Close-up images of baby animals highlight the basic facts about different kinds of mammals, such as hoofed mammals, elephants, rodents, rabbits, marsupials, and primates. Children will learn about the bodies of mammals, the kinds of foods they eat, and how they are raised by their mothers after they are born. The books also show how mammals survive in different habitats.

Reviews

This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who statte that there had not been a worth looking at. You wont really feel monotony at at any moment of your own time (that's what catalogs are for about should you request me).

-- **Cale Hansen Sr.**

Completely essential study ebook. This is for all those who statte there was not a well worth reading. I realized this book from my dad and i recommended this publication to find out.
