Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Aristodemocracy: Military Preparedness and the Peace of the World Your Open Letter appears to be written under a misapprehension so far as I am concerned. I have never at any time, since the invasion of Belgium by Germany, disputed either the necessity of the justice of British intervention in the War. I have not opposed conscription, though I have pleaded that genuine conscientious objectors should be given the absolute exemption to which they are entitled by law. And I do not hold, and have never expressed, the doctrine of non-resistance. Your remarks, therefore, appear to have no relevance to any position I have ever put forward. What I have done, and shall continue to do, is precisely what I understand you to do yourself in your book. I have argued for such a settlement as will secure a durable peace by the formation of a League of Nations instituted for that purpose. As this is your own policy, and also the official policy of the allied governments, I do not understand what is your cause...

### Reviews

*It is one of my personal favorite books. It is one of the most incredible ebooks I have ever gone through. You will not feel monotony at any moment of your own time (that's what catalogues are for relating to if you ask me).*

*Basically no phrases to clarify. It really is really fascinating through reading time. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
