Brand New Book ***** Print on Demand *****.Excerpt from *Country Life and Rural Problems: A Study Outline* This study outline takes up some of the social problems of the country community. It suggests a series of discussions on subjects related to the farm home, the country church, the rural school and the rural neighborhood. It is not concerned with the business of farming or with the profession of housekeeping. It does not touch on the economic problems of farm life. These subjects - marketing, farm labor, rural credits, the cooperative movement, etc. - may be covered in a later outline if it seems desirable. How to Use the Outline Adapt the outline to your own community needs. There are five main divisions of the subject: The Farm Home; The Rural School; The Country Church; Community Life; and The Country Town. Give as much time to the discussion of each of these subjects as the needs of your community demand. Under each subject you will find topics for discussion. An entire evening or afternoon s program may be given to one topic, or several topics may be combined to make up one program. The subject of the rural school, for instance, if covered thoroly might occupy four, or perhaps five, programs. But if you already enjoy the advantages of school consolidation you will need to give less time to this subject. How To Get Reference Material Each subject for discussion is followed by a list of references for reading and study.
