Endurance is personal to everyone; it's what we use to bring out our top athletic potential. Still, there are multitudes of versions to the definition of endurance. Some define it as running a 10K race while some define it as riding a bike for a century. Individuals strive to show their level of endurance by competing in worldwide events like racing in the Olympics, riding a bike in the Tour de France, or going 8 hours in the lava bath in Hawaii. They do all this to show their superb mental and physical control. Endurance provides us with the physical, mental, and chemical tools required to enable the body to maintain a constant speed over long distances. It is...
