### ***Reviews***

*It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Createspace, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This is a part of a book and the Kindle series on how to follow the LORD God s commands. The reason for writing this book is to put into perspective the teachings of Jesus and the Apostle Paul, among others. This book will highlight the approximate dates the New Testament books were written. This is important because Christians / Believers today don t quite have a correct understanding and/or information on this aspect of the Bible. As a result of this information, you will get a clearer picture of what those authors, inspired by the Holy Spirit, actually meant in their writings. I m also going to discuss the different translations of the Bible. Is there an inspired translation of the Word of God into English? Is one version better than the other? Which is the best version? Which one should you get? Why is understanding this so important? The purpose of this book is not to shake your faith. It is to enlighten you with knowledge and the truth so you can apply it in your life, in accordance with our Heavenly Father s will.
