Chicago Review Press. Paperback. Book Condition: new. BRAND NEW, **America's Black Founders: Revolutionary Heroes and Early Leaders with 21 Activities**, Nancy I. Sanders, History books are replete with heroic stories of Washington, Jefferson, and Adams, but what of Allen, Russwurm, and Hawley? **America's Black Founders** celebrates the lesser known but significant lives and contributions of our nation's early African American leaders. Many know that the Revolutionary War's first martyr, Crispus Attucks, a dockworker of African descent, was killed at the Boston Massacre. But far fewer know that the final conflict of the war, the Battle of Yorktown, was hastened to a conclusion by James Armistead Lafayette, a slave and spy who reported the battle plans of General Cornwallis to George Washington. Author Nancy Sanders weaves the histories of dozens of men and women--soldiers, sailors, ministers, poets, merchants, doctors, and other community leaders--who have earned proper recognition among the founders of the United States of America. To get a better sense of what these individuals accomplished and the times in which they lived, readers will celebrate Constitution Day, cook colonial foods, publish a newspaper, petition their government, and more. This valuable resource also includes a time line of significant events, a list of historic sites to visit or explore online, and Web resources for further study.
