HIGHER EDUCATION: QUALITY AND MANAGEMENT

2010. Hardcover. Book Condition: New. 348 The Indian higher education, modeled by Lord Macaulay a century back, is turning irrelevant for the emerging global knowledge society. Significant shortfalls in dynamic and qualified faculty, huge gaps between the imparted and expected skill-sets and a greater disconnect with the market and social needs have plagued the system. Reforms since independence had a myopic approach and casual attitude towards management and revitalization of higher education essential for socio-economic development. We need to reengineer...

Reviews

Good electronic book and useful one. It usually does not expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.
