To be verbally abused sometimes, or should I say over time can be as bad as being physically abused. Sometimes to the victim or victims overwhelming because the outside world can not see what pain you are going through. Sometimes the pain is a daily occurrence with no let up. It grows until it escalates and you believe it is all because of you that this person has done this to you. Sometimes I wished he just would have punched me one good time so people could see he really was a monster, I know I really did not want this to happen but my brain was bloody from his verbal pounding on me daily for nearly 3 decades and I just could not stand it anymore. So I awakened from my coma and left before someone got hurt really bad and I would live to regret what could happen the rest of my life. I did not want to turn into the monster he had become. I have learned over three decades of my life and 20 some years of abuse that we do not cause this, nothing should ever be so wrong as to be treated this way, but it is something we allow to creep into our lives slowly. Some will abuse us slowly, growing in anger along the way. Others may have episodes of explosive anger come in physical beatings. None of this is because of our wrong doings. It is at the hands of those who have no control over issues in their life and they take it out on the innocent. Is it because of love Most of us go on loving...
