Reviews

*A whole new e book with an all new point of view. It is one of the most incredible book i actually have go through. I am easily could possibly get a enjoyment of reading through a written book.
(Nathanael Treutel)*

UNFLATTERING CONCLUSIONS (PAPERBACK)

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This title does not paint a particularly flattering picture of Anglo-American relations vis-a-vis Europe as a whole and the world in general, but strives to show not merely how but why the United Kingdom is a problem for Europe and the prospect of greater European integration. However, all problems tend to invite solutions, and the author's own solution to the problem of the UK vis-a-vis Europe in general but Ireland in particular draws on his ideological legacy as a self-proclaimed Social Theocrat who, like the French philosopher Michel Foucault, is not only ranged against an overly Social Democratic take on progress, but has an alternative path to offer which owes a lot more to European tradition than ever it does to the long-standing opponents of that tradition, who would be amongst the last peoples, as things stand, to either understand or be able to tread this new path which, so the author contends, is the path to universal harmony and therefore of an end to national divisions, not least those fostered upon economic self-interest.
