Not illustrated. 1854 Excerpt: . other hand Rome, proud of her stern simplicity and warlike spirit, gave no welcome even to the poetical fictions of Greece, till the grace and richness of the verses found a response in the growing luxury and elegance of the mistress of the world; while the tales which adorn her early history owe their origin to the pride of haughty families, for whom fawning poetasters sang after a banquet the glories of heroes, whose names alone had descended to their posterity. So neither in Greece or Rome were there any prose writings which could be compared with the early romances of Europe. But in both, there was an element strongly marked, which, shortly before the torrent of northern barbarism overwhelmed the learning of the south, produced works, themselves of a fictitious character, and which have furnished models for modern works of a similar kind.
