Excerpt: . the several mountain-tops and down the farther side to native hamlets on southern shore. The chairs are comfortable, the springy movement imparted by the bamboo poles, so long and flexible, is delightful, and the steady, almost automatic stride of the men inspires confidence in their ability to bear us safely to the topmost points and down the steepest slopes. Thus, charmed by the novelty of our conveyance and by the sunny splendor of our surroundings, we explore the residential suburbs on the Peak. Up top-side, as has been said the temperature is lower than in that part of town called down-side, but the humidity is greater. Sometimes for weeks the Peak is wrapped in damp cloud masses, and everything inside the houses is wringing wet. The first day of sunshine following a foggy period sees these same homes literally turned wrong-side out. Bedding,...
